15. Cookies

A “cookie” is a small text file that is placed on a user’s computer hard drive by a website. There are several types of cookie and the most common are often referred to as ‘session’ cookies. These are used to keep track of information needed by a user as they travel from page to page within a website. These cookies have a short lifetime and expire within a few minutes of the user leaving the site.

Other types of cookies can be used to track internet activity after the user has left a website. These are usually sponsored by organisations external to the website being visited and are generally known as ‘third party’ cookies. These usually have a long lifetime with several months being quite common. They are ‘harvested’ and ‘refreshed’ whenever the user visits a page where the same or a similar cookie is being used.

BTS-UK uses benign, short lived ‘session’ cookies to tell whether a website user has logged in, where to find details that can be used to pre-fill parts of on-line forms and to personalise the user’s visit to the website.

BTS-UK cookies do not analyse visits to other website or any searches undertaken whilst on the BTS-UK website.

Internet browsers normally accept cookies by default; however, it is possible to set a browser to reject cookies. If this is done it is important not to exclude the benign and useful session cookies. Choose an option that rejects all third party and long lived cookies.

16. Links to Third Party Websites

This Privacy Policy applies solely to the personal data collected by the BTS-UK and does not apply to third party websites.

The BTS-UK is not responsible for the privacy policies of third party websites. BTS-UK advises users to read the privacy policies of other websites before registering any personal data.

17. Security

BTS-UK holds your personal data in accordance with the security provisions of the EU data protection legislation.

If you have any questions about security please contact the BTS-UK at info@biologicaltestingservices.co.uk

18. Notification of Changes

BTS-UK will notify all users of any changes it makes to its Privacy Policy. If BTS-UK decides to change its Privacy Policy, it will post such changes on this page so that you are always aware of how the BTS-UK uses your personal data.

Users have the right to ask the BTS-UK, in writing, for a copy of all the personal data held about them upon payment of a fee (“subject access request”) and to request that BTS-UK correct any inaccuracies in that information.

19. Your rights over your data

You have the right to rectify, amend, correct or erase your data except where there is a [legal basis for refusal](#).
